## COLOR SERVICES-Keune

Keune Semi Color is an exceptional ammonia free tone-on-tone color, formulated exclusively with Silsoft technology. It imparts extra shine, extra color, and extra durability. Semi color is the perfect color choice for:

- ☛ A first-time color service on natural hair, that does not affect its integrity.
- ☛ An intensive tone-on-tone color for optimal grey coverage, without changing the natural color of the hair.
- ☛ Used to refresh the lengths and ends of the hair in combination with Tinta color on the regrowth. Semi Color gives up to 70% grey coverage with the natural shades.

## COLOR SERVICES-Keune (cont.)

Keune Tinta Color offers the hair colorist and infinite color palette for use in all color applications: color accents, highlights, and lowlights. It leaves the hair with incredible shine and in superb condition. Tinta color gives 100% grey coverage. Shades range from natural tones to deep reds and sparkling blondes.

- ☛ Triple color protection with a Solamer UV protector.
- ☛ Silk protein conditioners provide shine and manageability.
- ☛ LP 300 color stabilizer closes the hair cuticle to ensure maximum binding of color pigments.
